

# Who we are

aguaro-Old Pueblo Harpers in Arizona began as "Old Pueblo Harpers", the Tucson Chapter of the International Society of Folk Harpers and Craftsmen (SFHC) in 2005 by a small group of harpers wanting to share their music, ideas and skills as these things related to the Folk Harp.

In 2007, the Tucson chapter of the American Harp Society (AHS), Saguaro, joined the Old Pueblo Harpers to unify efforts to promote all types of harp in the Tucson area and to provide a means for all harpists and harpers, who play professionally or for leisure, the opportunity to network and socialize.

So, if you enjoy the formal concert setting, classical, ethnic or traditional musical fare, playing for yourself on a winter's day, the challenge of instrument construction, or all of the above, we welcome you.
